About

Obsession with sneakers

Hi boys. I'm Tina. There's someone behind the milk. Maybe it's the dairy fairy. Suddenly, Tina Belcher appeared in the doorway. She knew what she had to do. Explore the morgue? Now my rash smells like bacon. But it doesn't itch anymore.

Our toaster is also confused. It doesn't know where bagels go. So I think I'm being attacked by zombies and I start screaming, 'Do you wanna make out?' And I make out with it. Ugg, my heart just pooped its pants. I've logged over 3,000 fantasy hours on my relationship with Jimmy Jr. You don't just throw that away.

Hi boys. I'm Tina. It's not meant to be hilarious. It's supposed to be erotic. Buns...sen. Your body. And I'm gonna read it to the whole school myself.
